

CENTRAL ARIZONA CACTUS AND SUCCULENT SOCIETY

Newsletter Index All Plant Articles Index 1975 to 2017

ADENIUM

- *Adenium: Another Rotten Tale* by Dan Smith, 4/16
- *Adenium Fever—Catch it!* by Tom Gatz, 3/08
- *Adenium Management at the Desert Botanical Garden—Volunteers in Action* by Tom Gatz, 9/13
- *Cool Things We Learned About Adeniums From Dave Palzkill* by Tom Gatz, 7/15
- *On the Dry Side: Adenium* by Timothy Chapman, 6/93
- *Waking Up* by Mark Dimmitt, 3/13
- *Winterizing Your Adeniums* by Tom Gatz, 11/14
- *Your Adenium is Rotting* by Dan Smith, 8/15

AEONIUM

- *Aeoniums Eternal* by Vera Gamet, 3/86

AGAVE

- *Agave* by Tristan Davis, 4/16
- *Agave 'Blue Glow' – A Handsome Hybrid* by Tom Gatz, 4/11
- *Agave Extravaganza* by Tristan Davis, 4/16
- *Agave Fever* by Sean Dundas, 6/04
- *Agave Victoria Reginae: Queen Victoria's Agave* by Jim Elliott, 6/04
- *Agave 'Kichi-Jokan': An Unsolved Mystery* by Tom Gatz, 7/07
- *Agaves That Can be Acclimated to Our Full Sun* by Tom Gatz, 11/11
- *Agaves—The Good, The Bad and The Ugly* by Tom Gatz, 1/07, 2/07
- *Bud Marking vs. Cross Banding in Agaves* by Jim Elliott, 11/06
- *From Agave Pumila to Atrovirens* by Kent C. Newland, 12/75
- *Growing Agaves from Seeds* by Charles F. Merbs, 12/76
- *In My Garden: Agave Attenuata* by Susan Tyrrel, 7/09
- *Pay More for Your Margarita: Will Tequila Costs Sour Drinkers?* by Daryl Bell, 9/00
- *Two Great Succulent Plants to Create Focal Points in Your Landscape (Aloe 'Hercules' dicotoma X barberae and Agave ovatifolia)* by Tom Gatz, 1/10

ALOE

- *Aloe* by Leo Martin, 1/02
- *Aloe Favorites* by Tom Gatz, 2/13
- *Aloe Vera* by Sue Hakala, 1/06
- *Aloes* by Diana and John Crummey, 1/13
- *Grass Aloes of South Africa* by Michael Gallagher, 1/88
- *Remarkable Aloe* by Melvin Firestone, 9/75
- *'Skirts' of Dead Leaves May Protect Tree Aloes From Wildfire* by Tom Gatz, 3/15
- *Stabbed for an Aloe* by C. Glass and R. Foster, 5/92

- *Two Great Succulent Plants to Create Focal Points in Your Landscape (Aloe 'Hercules' (dicotoma X barberae and Agave ovatifolia)* by Tom Gatz, 1/10
- *Why Do Aloes Bloom During the Winter?* by Tom Gatz, 4/15

ALOINOPSIS

- *Aloinopsis* by Leo Martin, 1/01

ANACAMPSEROS

- *On the Dry Side: Anacampseros* by Timothy Chapman, 10/94

APOROCACTUS

- *Lovely "Rat-Tail" Cactus* by Charles H. Everson, 10/87

ARAUCARIA

- *Araucaria: Monkey Puzzle Tree* by Vera Gamet, 10/86

ARIOCARPUS

- *Ariocarpus* by Leo Martin, 11/00
- *Ariocarpus Preparation* by Stan Peterson, notes from a video by Jim Elliott, 2/90
- *Why does My Ariocarpus Fluoresce?* by Laurence Garvie, 12/09

ASTROPHYTUM

- *Astrophytum* found within *Plant of the Month* (no author), 2/89
- *Astrophytums* by Beryl Niles, 1/93

AZTEKIUM

- *Aztekium from Seed* by Piotr Swaitoniowski, 10/03

BEUCARNEA

- *Beucarnea recurvata—Ponytail Palm* by Cathy Babcock, 1/02

BORZICACTUS/CLEISTOCACTUS

- *Borzicactus/Cleistocactus* by Leo Martin, 3/01
- *Borzicactus and Cleistocactus, Some of My Favorite Plants* by Leo Martin, 2/00

BROMELIAD

- *Terrestrial Bromeliads* by Leo Martin, 2/01

BULBS

- *Crash Course on Winter-Growing Bulbs* by Celeste Gornick, 10/08
- *Fall Bulb and Mesemb Seed Alert!* by Leo Martin, 9/07
- *South African Bulbs* found within Leo Martin's *From Your President* column, 12/01
- *Winter-growing Bulbs: Part II* by Celeste Gornick, 3/09

CARNEGIEA GIGANTEA

- *How Old is That Saguaro?* by Tom Gatz, 5/07

- *Large Scale Spine Renewal of the Saguaro Cactus* by Jim Elliott, 6/93
- *Saguaro You Today?* by Tom Gatz, 5/10
- *Transplanting Saguaros* by Jim Elliott, 10/94, 3/03
- *Woodpeckers and Saguaros* by Tom Gatz, 6/08

CAUDICIFORM

- *Caudiciform* found within Leo Martin's *From Your President* column, 12/02

CEROPEGIA

- *A Happy Finding* by Joan Skirvin, 6/94, 6/91
- *Ceropegia and Ceropegia Dichotoma* (no author), 2/79

CHEIRIDOPSIS

- *From a Succulents' Vantage Point (Cheiridopsis inspersa)* by Jeanne-Marie Denny, 7/89

CLEISTOCACTUS/BORZICACTUS

- *Borzicactus/Cleistocactus* by Leo Martin, 3/01
- *Borzicactus and Cleistocactus, Some of My Favorite Plants* by Leo Martin, 2/00

COCHEMIEA

- *Cochemia of Cedros Island* by Kent C. Newland, 1/79
- *Growing Succulents in the Desert Cochemia – The Red-Flowered Pincushions* by Mark Dimmitt, 8/10

CONOPHUTUM

- *Conophytum* N. E. Brown 1922 by Leo Martin, 2/0
- *Conophytums: On the Dry Side* by Timothy Chapman, 11/92

CORYPHANTHA

- *Coryphantha elephantidens: A Fine Fall Flowering Cactus* by Mark Dimmitt, 10/13
- *Coryphantha Trail in Mexico* by Barcia W. Bremer, 12/75
- *In Search of Coryphantha* by Margaret Caldwell, 7/86
- *In Search of Coryphantha: Excerpts From an Account of a Plant Hunting Trip* by Barcia Bremmer, 7/86
- *Lew Bremer Describes New Species of Coryphantha* by C. Merbs, 1/79

CRASSULA

- *Case of the Wet-Footed Crassula* by Dr. Rob Wallace, 10/93
- *Crassula ovata: Love Me, Love My Jade Plant* (no author), 6/94, 6/91

CRESTATES, MONSTROSAS AND FREAKS

- *Crestates, Monstrosas and Freaks* by Vera Gamet, 5/85

CUCURBIT

- *Cucurbits* by Leo Martin, 6/01

CYLINDROPUNTIA

- *Cholla: Using Cholla in Our Landscape: It's for the Birds!* by Michelle Schrade, 8/16
- *Teddy Bears and Cholla Fruits* by John Alcock, 12/08

CYNANCHUM

- *Green Hair (Sarcostema viminale and Cynanchum marnierianum)* by Muriel Beroza, 3/04

DISCOCACTUS

- *Rediscovery of Discocactus biformis* by Clarence K. Horich, 6/94, 4/91

DITAXIS

- *Ditaxis brandegeei—an Unusual Semi-Succulent from Southwestern Arizona* by Laurence Garvie, 11/08

DORSTENIA

- *Dorstenia: On the Dry Side* by Timothy Chapman, 2/93

DUDLEYA

- *Dudleyas* by Sol Kleinman, 4/88
- *Growing Dudleyas in the Low Desert* by Leo A. Martin, 3/11

ECHINOCEREUS

- *Echinocereus Jewels of the Jarillas* by Javier F. Gurrola, 10/16
- *Echinocereus: On the Dry Side* by Timothy Chapman, 7/92
- *Echinocereus pacificus* by Pam Rush, 11/17
- *Echinocereus triglochidiatus Englemannii* (no author), 7/90
- *Hedgehogs* by Leo Martin, 3/02
- *Plant that Endears: Echinocereus Maritimus* by Lin Levian, 1/11

ECHINOMASTUS

- *Echinomastus Madness* by Peter Breslin, 8/08

ECHINOPSIS

- *Echinopsis* found within Leo Martin's *From Your President* column, 12/00, 5/00
- *Echinopsis* by Leo Martin, 1/99

EPHEDRA

- *Ephedra: Mankind's Oldest Medicine?* by Lee Brownson, 6/16

ESPOSTOA

- *What are Those Cactus That Look Like Giant Toothbrushes?* by Tom Gatz, 11/12

EULOPHIA

- *Eulophia Petersii: A Desert Orchid* by Mark Dimmitt, 7/17, 6/11

EUPHORBIA

- *Euphorbia* by Scott McMahon, 4/04, 7/02, 10/99
- *Euphorbia: On the Dry Side: Euphorbia* by Timothy Chapman, 4/93, 4/94, 10/93
- *Euphorbia: Working with Euphorbias* by Scott McMahon, 2/17
- *Euphorbia horrida* found within *Plant of the Month* (no author), 2/89
- *Euphorbia horrida* by Gard Roper, 8/17
- *Euphorbia Latex Dangers* by Sue Hakala, 3/12
- *Euphorbia obesa: Growing Euphorbia obesa in the Phoenix Area* by Lawrence Garvie, 7/08
- *Rooting Euphorbia Leaves* by Kent C. Newland, 1/76
- *Three Cold-Hardy, Full-Sun Euphorbias for Your Landscape* by Tom Gatz, 3/07, 21/6
- *Useful Euphorbias* (no author), 12/79

FEROCACTUS

- *Saga of Ferocactus Acanthodes* by Pearl S. Lemkull, 4/87

FICUS

- *Rock Figs – Creating a Living Sculpture* by Tom Gatz, 1/11

FOUQUIERIACEAE

- *Fouquieria: Not Your Usual Ocotillo* by Tristan Davis, 3/17
- *Fouquieriaceae* by Leo Martin, 10/01

FRAILEA

- *Frailea—A Cactus Genus for the Space Impaired* by Joan and Stan Skirvin, 11/02

GASTERIA

- *Gasteria armstrongii* by Pam Rush, 11/17

GERANIACEAE

- *Geraniaceae* by Leo Martin, 8/01

GYMNOCACTUS

- *Gymnocactus Werdermann* by Leo Martin, 6/00

GYMNOCALYCIUM

- *Gymnocalycium* by Frank Hennessey, 12/82
- *Gymnocalycium Habitat and Winter Culture* by Mike Goodson, 8/85
- *Gymnocalycium mihanovichii* v *hibotan* or 'Lollipop' by Sue Hakala, 12/16
- *Gymnocalyciums* by Leo Martin, 8/02, 8/01

HAWORTHIA

- *Haworthia* by Tom Glavich, 4/17
- *Haworthia* (no author), 1/94

- *Haworth and His Study of the Genus Haworthia* by Vera Gamet, 1/89
- *Haworthia Leaf Propagation* by Bob Wagner, 7/89, 4/87
- *Observations and Rambling of an Avid Haworthia Fan* by Bob Wagner, 7/89, 4/87

HOYA

- *Hoya pachyclada: Growing Succulents in the Desert* by Mark Dimmitt, 8/11

LEWISIA

- *Lewisia* by Doug Dawson, 5/11

LITHOPS

- *Growing Lithops in Phoenix* by Doug Dawson, 4/16
- *Lithops* (no author), 4/88
- *Lithops* (no author), 11/99
- *Lithops* found within Leo Martin's *From Your President* column, 12/00
- *Lithops N. E. Brown* by Leo Martin, 5/00

LOPHOPHORA WILLIAMSII

- *Lophophora williamsii: On the Dry Side* by Timothy Chapman, 8/93

MAMMILLARIA

- *Mammillaria* by Leo Martin, 1/00, 1/01
- *Mammillaria and Mathematics* by Michael Newberry, 10/08
- *Mammillaria fasciculata Engel.* by E. and B. M Lamb, 7/90
- *Mammillaria grahamii: Nature's Wondrous Diversity* by Doug Dawson, 9/16
- *Mammillaria grahamii: One Tough Plant* by Sue Hakala, 10/10
- *Mammillaria grahamii: Shangri-La* by Cliff Fielding, 10/13
- *Mammillaria spinosissima: Bristle Brush Cactus* by Jo Baker, 11/14

MESEMBRANTHEMUM

- *Cultivation of Some Individual Genera* by James A. Robbins, 1/76
- *Easy Mesembs for Phoenix* by Leo Martin, 2/02, 3/02
- *Mesembryanthemaceae* (no author), 12/00
- *Mesembryanthemaceae* by James A. Robbins, 10/94, 12/82, 12/75
- *Mesembryanthemaceae* (care) by James A. Robbins, 1/92
- *Mesembryanthemum nodiflorum* by Laurence Garvie, 12/08
- *Mesembs* found within Leo Martin's *From Your President* column, 10/02
- *Mesembs/Ariozaceae: Other Uses (Some Good and Some Not so Good!)* by Karen Kravcov, 2/00
- *Messing with the Mesembs: Visiting Their Habitat* by Cliff Fielding, 7/0
- *Name That Mesemb* by Karen Kravcov, 2/00
- *Winter Growing Mesembs Through the Year* by Leo Martin, 7/01

MONVILLEA

- *Monvillea* (no author), 8/99

NEORAIMONDIA

- *Neoraimondia*, by Scott McMahon, 7/14

NOTOCACTUS

- *Notocactus Notes* by Kent C. Newland, 5/85

OPUNTIA

- *A Prickly Pear a Day* from Native Seed Search, 10/93
- *Opuntia Schottii* Engel. (no author), 7/90
- *Prickly Pear Cactus in Pots* by Tom Gatz, 8/14
- *Who's Not Eating Our Prickly Pear Fruit?* by Tom Gatz, 5/14

OTHONNA

- *Othonna* by Leo Martin, 12/01

PACHYCEREUS

- *Pachycereus weberi: Monster That Ate Sun City West* by Jim Elliott, 9/06
- *Senita Cactus and Its Missing Moth* by Tom Gatz, 1/08

PEDIOCACTUS

- *Visit to a Small Cactus (Pediocactus bradyi)* by Tim Cullison, 5/10

PENDILANTHUS

- *Pedilanthus* (no author), 10/03

PELARGONIUM

- *On The Dry Side: Pelargonium* by Timothy Chapman, 1/93
- *Pelargonium crithmifolium* by Carl Frederick, 11/04
- *Succulent Geraniums* (no author), 10/93

PERESKIA

- *Pereskia* by Vera Gamet, 7/89

PTERODISCUS

- *Pterodiscus and Uncarina* by Leo A. Martin, 6/02

PLUMERIA

- *Plumeria* by Celeste Gornick, 3/05

SANSEVIERIA

- *Sansevieria* by Phyllis Flechsig, 4/91
- *Sansevieria Planting at Koko Crater Botanic Garden Honolulu, Hawaii* by Ed Eby, 4/91
- *Smitten by Sansevierias* by Sue Hakala, 10/00

SARCOSTEMA

- *Green Hair (Sarcostema viminale and Cynanchum marnierianum)* by Muriel Beroza, 3/04

SCHLUMBERGERA

- *Holiday Cactus* by Leo Martin, 12/02

STAPELIA

- *Hand-pollinating Stapelia Plants* by Grant Meyer, 1/16
- *Stapelia flavopurpurea: A Sweet Starfish Flower* by Mark Dimmitt, 8/11
- *Stapelias: Growing Stapelias in Phoenix* by Leo Martin, 10/98
- *Stapelias: On the Dry Side* by Timothy Chapman, 6/92
- *Stapeliads* by Leo Martin, 10/00
- *Stapelias and Mealy Bugs Preventing Infestations* by Sue Hakala, 8/08

STENOCEREUS GRISEUS

- *Aruba Cactus* by Sue Hakala, 1/13

SUBPILOCEREUS REPANDUS

- *Aruba Cactus* by Sue Hakala, 1/13

TECTICORNIA

- *Tecticornia Bibenda—an Unusual Australian Succulent* by Laurence Garvie, 6/08

TREE

- *Miniature Desert Trees* by Tom Gatz, 7/16

TRICHOCEREUS

- *Trichocereus* (no author), 10/92
- *Trichocereus: Time to Fertilize Trichocereus* by Sue Hakala, 2/17

UNCARINIA

- *Pterodiscus and Uncarinia* by Leo A. Martin, 6/02

WELWITSCHIA MIRABILIS

- *Welwitschia mirabilis: A Most Interesting Plant* by Dan Smith, 11/16
