

CENTRAL ARIZONA CACTUS AND SUCCULENT SOCIETY

Meeting: Sunday, May 19, 1996  
2:00 p.m. Webster Auditorium  
Board of Directors: 1: 00 p.m.  
Archer House

**ATTENTION:** Please note change from our usual date.

Program: Silent Auction.

Please bring plants, pots, labels, books or whatever you think someone might bid on. Please label your plants with botanical name, if possible, and have a reasonably small sheet of paper for each plant with the name of the plant and starting bid. There should be room for additional bids to be written on it. Bring a pencil or pen to write your bids. You will also want a box to carry home your plants won by successful bids.

This meeting would be a good introduction to our activities for your friend or acquaintance who has expressed an interest in cactus and succulents. Invite them to come along.

The Cactus Show was a great success. The raffle of the three beautiful planters made by Lisa Northrup brought in over \$500.00.

CALIFORNIA TRIP: The trip is fully booked! Please note that the second payment is due May 25, 1996. Please send your check for \$75.00 balance due for each person, to our treasurer,

Pat Korach

I am sorry for this late meeting notice. Too much cactus show, birthdays, Mother's Day, out of town visitors, etc. and I just plumb forgot the meeting is a week early. Thanks to Jim Elliott for waking me up.

Don't forget--Silent Auction--Sunday, May 19, 2 p.m. Webster Auditorium, Desert Botanical Garden.

Don't forget--send balance of trip money--see above.
