"NEXT MEETING"

April Meeting

Our April meeting will be a field trip to the Wickenburg area travelling in members' cars. Details are included in the enclosed material. It sounds like a day of fun and fellowship. Plan to attend.

"LOOKING FORWARD"

May Meeting

The topic for discussion will include methods and techniques on the propagation of cacti and succulents. Larry Fischer and Linda Miller of the Propagation Committee will discuss general cactus propagation and Mike Gallagher will discuss propagation by seed.

The CACSS will also be having a "mini" silent auction. Bring plants, pots, tags, top dressings, or anything else that is related to our hobby and can be sold to a fellow collector.

2nd Pacific Northwest Conference on Succulent Plants

This event will be held from August 13-16, 1992 in Vancouver, British Columbia. Contact Frank Hennessey at 277-1038 for details.

"LAST MONTH"

Thanks to Society members Elaine Steichman and Ilza Hahlo who graciously invited members to an open garden at their homes. It was a real treat for all of those who attended.

The **Cactus and Succulent Show** was a great success. The entries were fabulous. Show Chairman Ken Jantz thanks the committee members and all who helped with this years show.

Our presence at the **Garden Clubs Fair** raised over \$220 for the Society. Thanks to all who donated plants and to Larry, Debra, Frank, Edra, Glenda, Linda, Cheryl, and Bill for helping at the Fair.
